☞ *Accessibility*

No special accommodations have been made to enhance accessibility at any of the barns for this tour. These are historic barns, all in private ownership, and most have some obstacles to mobility. Walking surfaces from bus parking locations to barns are gravel and earth and in some cases with rises or drops in grade. Our members typically extend courtesy to those around them when an attendee is in need.

☞ *Dress Appropriately*

Some of the barns are working barns, so be prepared for mud and manure.
